ACTING EXECUTIVE OFFICER

The Honorable Board of Commissioners
Community Development Commission
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Commissioners:

**APPROVE ACOUSTICAL ENGINEERING SERVICES CONTRACT FOR THE RESIDENTIAL
SOUND INSULATION PROGRAM TO COMPLETE WORK IN UNINCORPORATED LENNOX, DEL
AIRE, AND ATHENS
(DISTRICT 2) (3 VOTES)**

SUBJECT

This letter recommends approval of a contract with The Jones Payne Group, Inc., for acoustical engineering services for properties in unincorporated Lennox, Del Aire and Athens. Approval of the contract will permit the Community Development Commission of the County of Los Angeles (Commission) to provide acoustical engineering services in support of the County's Residential Sound Insulation Program (RSIP).

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the Executive Director, or his designee, to execute a one-year acoustical engineering services contract, and all related documents, with The Jones Payne Group, Inc., to complete acoustical engineering services for properties in unincorporated Lennox, Del Aire, and Athens, using a total of up to \$4,000,000 in funding consisting of \$3,200,000 in Federal Aviation Administration (FAA) and \$800,000 in Los Angeles World Airports (LAWA) funds.
2. Authorize the Executive Director, or his designee, if necessary, to reduce the scope of work and associated monetary amount, to amend, to extend the term by up to three additional years in one-year increments, or to terminate the contract for convenience.
3. Authorize the Executive Director, or his designee, to approve a contingency amount not to exceed \$400,000 for any unforeseen project costs, using LAWA and FAA funding.

4. Find that the approval of an acoustical engineering services contract is not subject to the provisions of the California Environmental Quality Act (CEQA) because the services involve activities that are not defined as a project under CEQA.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the actions is to award acoustical engineering services contract to The Jones Payne Group, Inc., for an acoustical engineering contractor to provide services for dwelling units on properties in unincorporated Lennox, Del Aire and Athens.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. The improvements will be funded with \$3,200,000 in FAA funding and \$800,000 LAWA funding. The contract may be extended up to three additional years, in one-year increments, for a maximum term of four years; the total amount of the contract is not to exceed \$4,000,000 over the entire term of the contract.

A 10% contingency, in the amount of \$400,000, is being set aside for unforeseen costs, using the same sources of funds.

Funds for these projects are included in the Commission's approved Fiscal Year 2014-2015 budget and will be included in future year's budget processes as needed.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On December 17, 1991 and February 18, 2014, your Board authorized the Commission to submit annual applications to the FAA and LAWA for an Airport Improvement Program grant to implement a noise compatibility program for properties located within the flight path of Los Angeles International Airport. The FAA and LAWA subsequently approved applications and allocated a total of \$128.1 million for the Commission's Residential Sound Insulation Program, including funding for sound insulation of the subject properties. The FAA and LAWA funding sources cover specific geographic areas. Based on their geographic location, the project is eligible for FAA and LAWA sources of funding.

The contract includes acoustical engineering services on an as needed basis for dwelling units on properties in the unincorporated Lennox, Del Aire and Athens areas. The residences are located within the 2015 Alt "D" 65dB Community Noise Equivalent Level contours and have been determined by LAWA and FAA to be severely affected and constantly exposed to noise generated from low flying aircraft. The buildings were constructed without sound-rated modifications and do not effectively reduce the exterior air traffic noise generated by the airplanes.

The Commission enters into Owner Participation Agreements with property owners to access units on properties for sound treatment. The proposed contract will provide acoustical engineering services and related activities such as acoustical noise testing, technical assistance, design services, and construction management services.

ENVIRONMENTAL DOCUMENTATION

This activity is exempt from the provisions of the National Environmental Policy Act (NEPA) pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34 (a)(8), because it involves engineering services that will not have a physical impact on or result in any physical changes to the environment. The activity is also not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378, because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

Properties funded through this program will be reviewed and approved on a site by site basis prior to the commencement of any work under this contract.

CONTRACTING PROCESS

On July 29, 2013, the Commission initiated an outreach to identify contractors to perform acoustical engineering services. A Request for Statement of Qualifications was emailed to 1,007 vendors identified from the Commission's vendor list of architectural, acoustical engineering and general contractors. Advertisements also appeared on the Commission's and County WebVen websites.

The Commission received a total of six proposals in response to the outreach. Each of the proposals received was evaluated and scored. When the highest scoring proposer, Wyle Laboratories, Inc., was approached to negotiate fees, the firm elected to decline to be considered for the contract. Therefore, the second highest scoring proposer, The Jones Payne Group, Inc., is being recommended for a contract award.

The Summary of Outreach Activities is provided as Attachment A.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of the acoustical engineering contract will provide support services for noise mitigation treatment of households in unincorporated Lennox, Del Aire and Athens.

Respectfully submitted,

SEAN ROGAN

Executive Director

Should the Contractor receive any such payment, it shall immediately notify the Commission and shall immediately repay all such funds to the Commission. This provision shall survive the expiration or other termination of this Contract.

For purposes of this paragraph, Commission consent shall require a written amendment to the Contract, which is formally approved and executed by the parties. Any payments by the Commission to any approved delegate or assignee on any claim under the Contract shall be deductible, at the Commission's sole discretion, against the claims, which the Contractor may have against the Commission. However, the Commission reserves the right to assign this Contract to another public agency without the consent of the Contractor.

Shareholders, partners, members, or other equity holders of the Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is affected in such a way as to give majority control of the Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of the Commission in accordance with applicable provisions of this Contract.

Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without the Commission's express prior written approval, shall be a material breach of the Contract which may result in the termination of the Contract. In the event of such termination, the Commission shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8. BREACH OF CONTRACT TERMS

Any violation or breach of terms of this Contract on the part of the Contractor or its subcontractors may result in the suspension or termination of this Contract or such other action that may be necessary to enforce the rights of the parties of this agreement. The duties and obligations imposed by the Contract documents and the rights and remedies available thereunder are in addition to, and not a limitation of, any duties, obligations, rights and remedies otherwise imposed or available by law.

9. CONFIDENTIALITY OF REPORTS

10. SUBCONTRACTING

The Contractor shall not subcontract any part of the work covered by this Contract or permit subcontracted work to be further subcontracted without prior written approval by the Commission.

11. INSURANCE

Without limiting Contractor's duties to indemnify and defend as provided in this Contract, Contractor shall procure and maintain, at Contractor's sole expense, the insurance policies described herein. Such insurance shall be secured from carriers admitted in California, or authorized to do business in California. Such carriers shall be in good standing with the California Secretary of State's Office and the California Department of Insurance. Such carriers must be admitted and approved by the California Department of Insurance or must be included on the California Department of Insurance List of Approved Surplus Line Insurers (hereinafter "LASLI"). Such carriers must have a minimum rating of or equivalent to A:VIII in A.M. Best's Insurance Guide. Contractor shall, concurrent with the execution of this Contract, deliver to the Commission certificates of insurance with original endorsements evidencing the insurance coverage required by this Contract. If original endorsements are not immediately available, such endorsements may be delivered subsequent to the execution of this Contract, but no later than thirty (30) days following execution of this Contract. The certificates and endorsements shall be signed by a person authorized by the insurers to bind coverage on its behalf. Contractor shall provide Commission with certificates of insurance and applicable endorsements each year during the term of this Contract to evidence its annual compliance with the insurance requirements set forth herein. The Commission reserves the right to require complete certified copies of all policies at any time. Said insurance shall be in a form acceptable to the Commission and all deductible amounts must be provided in advance to the Commission for its approval. Any self-insurance program and self-insured retention must be separately approved by the Commission. In the event such insurance does provide for deductibles or self-insurance, Contractor agrees that it will defend, indemnify and hold harmless the Commission, the Housing Authority of the County of Los Angeles ("Housing Authority"), the County of Los Angeles ("County"), and their elected and appointed

officers, officials, representatives, employees, and agents in the same manner as they would have been defended, indemnified and held harmless if full coverage under any applicable policy had been in effect. Each policy shall be endorsed to stipulate that the Commission be given at least thirty (30) days' written notice in advance of any cancellation or any reduction in limit(s) for any policy of insurance required herein. Contractor shall give the Commission immediate notice of any insurance claim or loss which may be covered by insurance. Contractor represents and warrants that the insurance coverage required herein will also be provided by any entities with which Contractor contracts, as detailed below. All certificates of insurance and additional insured endorsements shall carry the following identifier:

The Jones Payne Group, Inc.

The insurance policies set forth herein shall be primary insurance and non contributory with respect to the Commission. The insurance policies shall contain a waiver of subrogation for the benefit of the Commission. Failure on the part of Contractor, and/or any entities with which Contractor contracts, to procure or maintain the insurance coverage required herein may, upon the Commission's sole discretion, constitute a material breach of this Contract pursuant to which the Commission may immediately terminate this Contract and exercise all other rights and remedies set forth herein, at its sole and absolute discretion, and without waiving such default or limiting the rights or remedies of the Commission, procure or renew such insurance and pay any and all premiums in connection therewith and all monies so paid by the Commission shall be immediately repaid by the Contractor to the Commission upon demand including interest thereon at the default rate. In the event of such a breach, the Commission shall have the right, at its sole election, to participate in and control any insurance claim, adjustment, or dispute with the insurance carrier. Contractor's failure to assert or delay in asserting any claim shall not diminish or impair the Commission's rights against the Contractor or the insurance carrier.

When Contractor, or any entity with which Contractor contracts, is naming the Commission as an additional insured on the general liability insurance policy set forth below, then the **additional insured endorsement** shall contain language similar to the language contained in ISO form CG 20 10 11 85. In the alternative and in Commission's sole and absolute discretion, it may accept both CG 20 10 10 01 and CG 20 37 10 01 in place of CG 20 10 11 85.

The following insurance policies shall be maintained by Contractor and any entity with which Contractor contracts for the duration of this Contract, unless otherwise set forth herein:

This indemnification provision shall remain in full force and effect and survive the termination and/or expiration of this Contract. Contractor agrees to require any and all entities with which it contracts to agree to and abide by the above mentioned indemnification requirements in favor of the Commission, Housing Authority, and County, as applicable to each of them.

13. COMMISSION'S QUALITY ASSURANCE PLAN

The Commission will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all contract terms and performance standards. Contractor deficiencies, which Commission determines are severe or continuing and that may place performance of the Contract in jeopardy, if not corrected, will be reported to the Board of Commissioners. The report will include improvement/corrective action measures taken by the Commission and Contractor. If improvement does not occur consistent with the corrective measure, the Commission may terminate this Contract, pursuant to Paragraph 13 or 14, or impose other remedies as specified in this Contract.

A performance review will be conducted no later than ninety (90) days prior to the end of the first and second years of this Contract to evaluate the performance of the Contractor. Based on the assessment of the performance review, as determined by the Commission in its sole discretion, written notification will be given to the Contractor whether this Contract will be terminated at the end of the current year or will be continued into the next contract year.

14. TERMINATION FOR CONVENIENCE

The Commission reserves the right to cancel this Contract for any reason at all upon thirty (30) days prior written notice to Contractor. In the event of such termination, Contractor shall be entitled to a prorated portion paid for all satisfactory work unless such termination is made for cause, in which event, compensation if any, shall be adjusted in such termination.

15. TERMINATION FOR CAUSE

This Contract may be terminated by the Commission upon written notice to the Contractor for just cause (failure to perform satisfactorily) with no penalties incurred by the Commission upon termination or upon the occurrence of any of the following events in A, B, C or D:

- A. Should the Contractor fail to perform all or any portion of the work required to be performed hereunder in a timely and good workmanlike manner or properly carry out the provisions of this Contract in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Contractor, and should the Contractor neglect or refuse to provide a means for satisfactory compliance with this Contract and with the direction of the Commission within the time specified in such notice, the Commission shall have the power to suspend or terminate the operations of the Contractor in whole or in part.
- B. Should the Contractor fail within five (5) days to perform in a satisfactory manner, in accordance with the provisions of this Contract, or if the work to be done under this Contract is abandoned for more than three days by the Contractor, then notice of deficiency thereof in writing will be served upon Contractor by the Commission. Should the Contractor fail to comply with the terms of this Contract within five (5) days, upon receipt of said written notice of deficiency, the Executive Director of Commission shall have the power to suspend or terminate the operations of the Contractor in whole or in part.
- C. In the event that a petition of bankruptcy shall be filed by or against the Contractor.
- D. If, through any cause, the Contractor shall fail to fulfill, in a timely and proper manner, the obligations under this Contract, or if the Contractor shall violate any of the covenants, Contracts, or stipulations of this Contract, the Commission shall thereupon have the right to terminate this Contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the Contractor under this Contract shall, at the option of the Commission become its property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed.

16. TERMINATION OF CONTRACT

- a. The Commission may, by written notice, terminate this Contract in whole or in part at any time, either for the Commission's convenience or because of failure to fulfill the Contract obligations. Upon receipt of such notice, services must be immediately discontinued (unless the notice directs otherwise) and all materials as may have been

accumulated in performing this Contract, whether completed or in progress, delivered to the Commission.

b. If the termination is for the convenience of the Commission, an equitable adjustment in the Contract price will be made, but no amount will be allowed for anticipated profit on unperformed services.

c. If the termination is due to failure to fulfill the Contractor's obligations, the Commission may take over the work and prosecute the same to completion by contract or otherwise. In such case, the Contractor is liable to the Commission for any additional cost occasioned to the Commission thereby.

d. If, after notice of termination for failure to fulfill Contract obligations, it is determined that the Contractor had not so failed, the termination will be deemed to have been effected for the convenience of the Commission. In such event, adjustment in the Contract price will be made as provided in paragraph 2 of this clause.

e. The rights and remedies of the Commission provided in this clause are in addition to any other rights and remedies provided by law or under this Contract.

17. CONTRACTOR'S WARRANTY OF ADHERENCE TO COMMISSION'S CHILD SUPPORT COMPLIANCE PROGRAM

The Contractor acknowledges that the Commission has established a goal of ensuring that all individuals who benefit financially from the Commission through a contract are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the taxpayers of the County of Los Angeles.

As required by Commission Child Support Compliance Program and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall, during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or CSSD Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

18. TERMINATION FOR BREACH OF WARRANTY TO COMPLY WITH COMMISSION'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 15, "*CONTRACTOR'S WARRANTY OF ADHERENCE TO Commission's CHILD SUPPORT COMPLIANCE PROGRAM*" shall constitute default under this contract. Without limiting the rights and remedies available to Commission under

any other provision of this contract, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which Commission may terminate this contract pursuant to Paragraph 14 - "TERMINATION FOR CAUSE" and pursue debarment of Contractor, pursuant to Commission Policy.

19. POST MOST WANTED DELINQUENT PARENTS LIST

The Contractor acknowledges that the County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. The Contractor understands that it is County's and Commission's policy to strongly encourage all Contractors to voluntarily post an entitled "L.A.'s Most Wanted: Delinquent Parents" poster in a prominent position at Contractor's place of business. The Child Support Services Department (CSSD) will supply Contractor with the poster to be used.

20. INDEPENDENT CONTRACTOR

This Contract does not, is not intended to, nor shall it be construed to create the relationship of agent, employee or joint venture between the Commission and the Contractor.

21. EMPLOYEES OF CONTRACTOR

Workers' Compensation: The Contractor understands and agrees that all persons furnishing services to the Commission pursuant to this Contract are, for the purposes of Workers' Compensation liability, employees solely of the Contractor. Contractor shall bear sole responsibility and liability for providing Workers' Compensation benefits to any person for injuries arising from an accident connected with services provided to the Commission under this Contract.

Professional Conduct: The Commission does not and will not condone any acts, gestures, comments or conduct from the Contractor's employees, agents or subcontractors which may be construed as sexual harassment or any other type of activities or behavior that might be construed as harassment. The Commission will properly investigate all charges of harassment by residents, employees or agents of the Commission against any and all Contractor's employees, agents or subcontractors providing services for the Commission. The Contractor assumes all liability for the actions of the Contractor's employees, agents or subcontractors and is responsible for taking appropriate action after reports of harassment are received by the Contractor.

22. CONTRACT WORKHOURS AND SAFETY STANDARDS ACT REQUIREMENTS

1. Overtime Requirements.

No Contractor or subcontractor contracting for any part of the Contract work which may require or involve the employment of laborers or mechanics shall require or

permit any such laborer or mechanic, including watchmen and guards, in any workweek in which he or she is employed on such work to work in excess of forty (40) hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one (1) and one-half (1/2) times the basic rate of pay for all hours worked in excess of forty (40) hours in such workweek.

2. Violation; Liability for Unpaid Wages; Liquidated Damages.

In the event of any violation of the clause set forth in paragraph (1) above, the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) above, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek

3. Withholding for Unpaid Wages and Liquidated Damages.

The Federal Aviation Administration or the Commission shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any monies payable on account of work performed by the Contractor, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages in the clause set forth in paragraph 2 above.

4. Subcontractors.

The Contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraphs 1 through 4 and also a clause requiring the subcontractor to include these clauses in any lower tier subcontracts. The prime Contractor shall be responsible for compliance by any subcontractors or lower tier subcontractor with the clauses set forth in paragraphs 1 through 4 of this section.

in its sole discretion, terminate the Contract and/or bar Contractor from the award of future Commission, Housing Authority, or County contracts for a period of time consistent with the seriousness of the breach.

43. ACCESS AND RETENTION OF RECORDS

The Contractor shall provide access to the Commission, the Federal Grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers and records of the Contractor which are directly pertinent to this Contract for the purpose of making audits, examinations, excerpts and transcriptions.

The Contractor is required to retain the aforementioned records for a period of five years after the Commission pays final payment and other pending matters are closed under this Contract.

44. ACCESS TO RECORDS AND REPORTS

The Contractor must maintain an acceptable cost accounting system. The Contractor agrees to provide the Commission, the Federal Aviation Administration (FAA), and the Comptroller General of the United States or any of their duly authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to the specific Contract for the purpose of making audit, examination, excerpts and transcriptions. The Contractor agrees to maintain all books, records and reports required under this contract for a period of not less than three (3) years after final payment is made and all pending matters are closed.

45. CONFLICT OF INTEREST

The Contractor represents, warrants and agrees that to the best of its knowledge, it does not presently have, nor will it acquire during the term of this Contract, any interest direct or indirect, by contract, employment or otherwise, or as a partner, joint venture or shareholder (other than as a shareholder holding a one (1%) percent or less interest in publicly traded companies) or affiliate with any business or business entity that has entered into any contract, subcontract or arrangement with the Commission. Upon execution of this Contract and during its term, as appropriate, the Contractor shall, disclose in writing to the Commission any other contract or employment during the term of this Contract by any other persons, business or corporation in which employment will or may likely develop a conflict of interest between the Commission's interest and the interests of the third parties.

46. SEVERABILITY

In the event that any provision herein is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the

remainder of this Agreement and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

47. INTERPRETATION

No provision of this Contract is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if drafted by both parties hereto.

48. WAIVER

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision shall not be deemed to be a waiver of any breach of the same or any other provision hereof.

49. PATENT RIGHTS

The Commission will hold all the patent rights with respect to any discovery or invention, which arises or is developed in the course of, or under this Contract.

50. COPYRIGHT

No report, maps, or other documents produced in whole or in part under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. All such documents become the property of the Commission and the Commission holds all the rights to said data.

51. TRADE RESTRICTION

The Contractor or subcontractor, by submission of an offer/or execution of a contract, certifies that it:

- A. is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United States Trade Representative (USTR);
- B. has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country on said list, or is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list;
- C. has not procured any product nor subcontracted for the supply of any product for use on the project that is produced in a foreign country on said list;

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to a contractor or subcontractor who is unable to certify to the above. If the contractor knowingly procures or subcontracts for the supply of any product or service of a foreign country on said list for use on the project, the Federal Aviation Administration may direct through the Commission cancellation of the Contract at no cost to the Government.

Further, the Contractor agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in each contract and in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor unless it has knowledge that the certification is erroneous.

The Contractor shall provide immediate written notice to the Commission if the Contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The subcontractor agrees to provide written notice to the Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances.

This certification is a material representation of a fact upon which reliance was placed when making the award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration may direct through the Commission cancellation of the Contract or subcontract for default at no cost to the Government.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code, Section 1001.

52. NOTICES

The Commission shall provide the Contractor with notice of any injury or damage arising from or connected with services rendered pursuant to this Contract to the extent that Commission has actual knowledge of such injury or damage. Commission shall provide such notice within ten (10) days of receiving actual knowledge of such injury or damage.

Notices provided for in this Contract shall be in writing and shall be addressed to the person intended to receive the same, at the following address:

The Commission: Cordé D. Carrillo, Director
Economic and Housing Development Division
Community Development Commission of the
County of Los Angeles
700 West Main Street
Alhambra, CA 91801

The Contractor: Michael K. Payne, Managing Principal
THE JONES PAYNE GROUP, INC.
123 North Washington Street, 3rd Floor
Boston, MA 02114

Notices addressed as above provided shall be deemed delivered three (3) business days after mailed by U.S. Mail or when delivered in person with written acknowledgement of the receipt thereof. The Contractor and the Commission may designate a different address or addresses for notices to be sent by giving written notice of such change of address to all other parties entitled to receive notice.

53. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in *Attachment D – Required Contract Notices* of this Contract and is also available on the Internet at www.babysafela.org for printing purposes.

54. CONTRACTOR’S ACKNOWLEDGMENT OF COMMISSION’S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

The Contractor acknowledges that the Commission places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the Commission’s policy to encourage all Commission Contractors to voluntarily post the Commission’s “Safely Surrendered Baby Law” poster in a prominent position at the Contractor’s place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor’s place of business. The Department of Children and Family Services of the County of Los Angeles will supply the Contractor with the poster to be used.

55. CONTRACTOR’S CHARITABLE CONTRIBUTIONS COMPLIANCE

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The “Nonprofit Integrity Act of 2004” (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification as

included in *Attachment C – Required Contract Forms*, the Commission seeks to ensure that all Commission contractors that receive or raise charitable contributions comply with California law in order to protect the Commission and its taxpayers. A Contractor that receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings, or both.

56. CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

The Contractor acknowledges that the Commission has established a goal of ensuring that all individuals and businesses that benefit financially from the Commission through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers. Unless the Contractor qualifies for an exemption or exclusion, the Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with the County's Defaulted Tax Program pursuant to Los Angeles County Code, Chapter 2.206.

57. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph "CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM" shall constitute default under this Contract. Without limiting the rights and remedies available to the Commission under any other provision of this Contract, failure of the Contractor to cure such default within 10 days of notice shall be grounds upon which Commission may terminate this contract and/or pursue debarment of the Contractor, pursuant to County's Defaulted Property Tax Reduction Program pursuant to Los Angeles County Code, Chapter 2.206.

58. AUTHORIZATION WARRANTY

Each party represents and warrants that the person executing this Agreement or any amendment thereto for that party is an authorized agent of such party who has actual authority to bind the party to each and every term, condition and obligation of this Agreement, and that all requirements of each party have been fulfilled to provide such actual authority.

59. ENTIRE CONTRACT

- C. Required Contract Forms
- D. Required Contract Notices

BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fundraising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A bidder/proposer on Commission and/or Housing Authority contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following resource references are offered to assist bidders/proposers who engage in charitable contributions activities, however, each bidder/proposer is responsible to research and determine its own legal obligations and properly complete the Charitable Contributions Certification form.

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://caag.state.ca.us/>, contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: <http://caag.state.ca.us/charities/statutes.htm>.

2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the *Center for Nonprofit Management*, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 <http://www.cnmsocal.org/>, and statewide, the *California Association of Nonprofits*, <http://www.canonprofits.org/>. Both organizations' websites offer information about how to establish and manage a charitable organization.

The above information, including the organizations listed, is for informational purposes only. Nothing contained in this sub-section shall be construed as an endorsement by the Commission of such organizations.

Notice 1015

(Rev. December 2009)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2009 are less than \$48,279 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 8, 2010.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2009 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2009 and owes no tax but is eligible for a credit of \$829, he or she must file a 2009 tax return to get the \$829 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2010 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

Safely Surrendered *Baby Law*

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

In Los Angeles County: 1 877 BABY SAFE 1 877 222 9723

www.babysafela.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

En el Condado de Los Ángeles: 1-877-BABY SAFE • 1-877-222-9723

www.babysafela.org

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
